## Flexible Spending Accounts with the Swipe of a Card

The **FlexSystem Claim Card** allows your employees efficient and direct access to their medical Flexible Spending Account (FSA) funds. By making their requests for reimbursement quick and easy, the Claim Card encourages greater participation and increased contributions by employees. Increase your employees' satisfaction and your savings by offering the FlexSystem Claim Card today!

### With the FlexSystem Claim Card, Everyone Benefits!

#### Employers

- Drives tax savings by increasing participation and contributions.
- Reduces paperwork.
- Limits use to eligible medical expenses only.
- Audits of amount, merchant, and the date of purchase performed by FlexSystem.

#### Employees

- Provides instant access to FSA funds.
- Eliminates virtually all use of Request for Reimbursement Forms for medical expenses.
- Looks and works like a typical debit card.
- Employees can request one additional card for their dependent.

### Yes, I want the FlexSystem Claim Card!
