

Don't Overlook FSA Commissions

Additional Supplemental Commissions being left on the table!

Did you know that a 20-life group on average could pay this...?

	<u>Admin Cost</u>	<u>Commissions</u>
• Health Insurance:	\$145,000	\$3,000
• Dental Insurance:	\$17,000	\$1,400
• Supplemental Life Insurance:	\$2,100	\$350
• Supplemental Disability Insurance:	\$1,275	\$250

You forgot one...

• FlexSystem FSA Plan:	\$1,000	\$250
-------------------------------	----------------	--------------

Selling FlexSystem Plans couldn't be easier when the administrative costs are virtually paid for by the employer FICA savings!

And for every Plan sold, you receive 25%!

Sell 100 FlexSystem Plans -- that's \$25,000 in commissions!

In this ever changing world of Healthcare Reform and a tough economy, many brokers are looking for ways to diversify and create more income. FlexSystem is a product that will pay for itself with tax savings and can earn you similar money compared to supplemental products like Life and Disability.
