

## Deductible Plan Benefit Summary

HealthMate Coast-to-Coast focuses on preventive care, setting the foundation for continued good health. Plus, you benefit from:

- **An extensive nationwide network.** You can receive in-network coverage from more than 727,000 doctors and 6,300 hospitals through the BlueCard® PPO network.
- **No paperwork for in-network services.** Simply show your BCBSRI member ID card, and the provider will do the rest. You're only responsible for paying any applicable copayment, coinsurance, or deductible.
- **The freedom to choose.** If you visit an out-of-network provider for covered services, simply pay for the service up front and then file a claim for reimbursement. You may have to pay higher out-of-pocket costs when you visit non-network providers. Please see your plan's subscriber agreement for details or call Customer Service.

**Deductible:** A fixed amount that you must pay for covered healthcare services each calendar year before we start to pay for those services.

**Out-of-pocket maximum:** Highest amount of coinsurance that you must pay each calendar year for certain covered healthcare services.

**Personal care physician (PCP):** Includes family practitioners, internists, and pediatricians.

## How Your Deductible Works

Your plan features a deductible. The deductible is the amount of covered expenses you must pay per calendar year before we start to pay for covered services.

- Two family members must satisfy the individual deductible. Once the second family member meets their individual deductible, the family deductible is satisfied.
- Once the family deductible is met, the family only needs to pay coinsurance (if applicable) up to the out-of-pocket maximum.

The family out-of-pocket maximum accumulates the same way as the family deductible.
