### Streamlined Processes

- ⊗ Effective immediately, please send **ALL** Request for Group Insurance Amendment to the Sales Agreement forms to this new address: [brokernet.amendments@amwins.com](mailto:brokernet.amendments@amwins.com). This change will allow for expedient processing by our team of Broker Service Specialists!
- ⊗ Groups currently enrolled through an association that wish to work with a broker can now easily make this transition. In order to process this change, BCBSRI will require:

- Broker of Record Form
- Letter from Client stating request to be removed from the specific association and enrolled using the Broker named in the Broker of Record Form

The transition will occur on the first of the month following the date of the completed paperwork being received by BCBSRI. This change in process does not affect commission structures. If you would like to know if a specific account is commissionable prior to transition, please contact any member of the BrokerNetUSA Broker Service team

### CVS ExtraCare Health Card

We're happy to let you know about a new discount program for BCBSRI members. The ExtraCare Health Card provides a 20 percent discount on thousands of CVS/pharmacy® brand health-related items. This discount is available at any CVS pharmacy and online at CVS.com. To receive the discounts, members will simply present a key tag at the counter, or enter an ID number from their tag online.

This program is launched in conjunction with BCBSRI and CVS Caremark. The strategic partnership will help enhance the value of your client's health plan by providing another way to save their employees money and improve their health and productivity. A mailing was sent to members with a key tag, welcome letter, and FAQ. Members who currently have an ExtraCare card are able to move their existing Extra Bucks to the new card.

Visit the broker section of [BCBSRI.com/together](http://BCBSRI.com/together) for copies of the member welcome letter and FAQ.
